

# Link-16 Monitor Feedback

The following slides are from the JSS Final Presentation. They are the slides concerning the work I did for the Link-16 Monitor Feedback.

Roger Grayson

# Windows Look & Feel

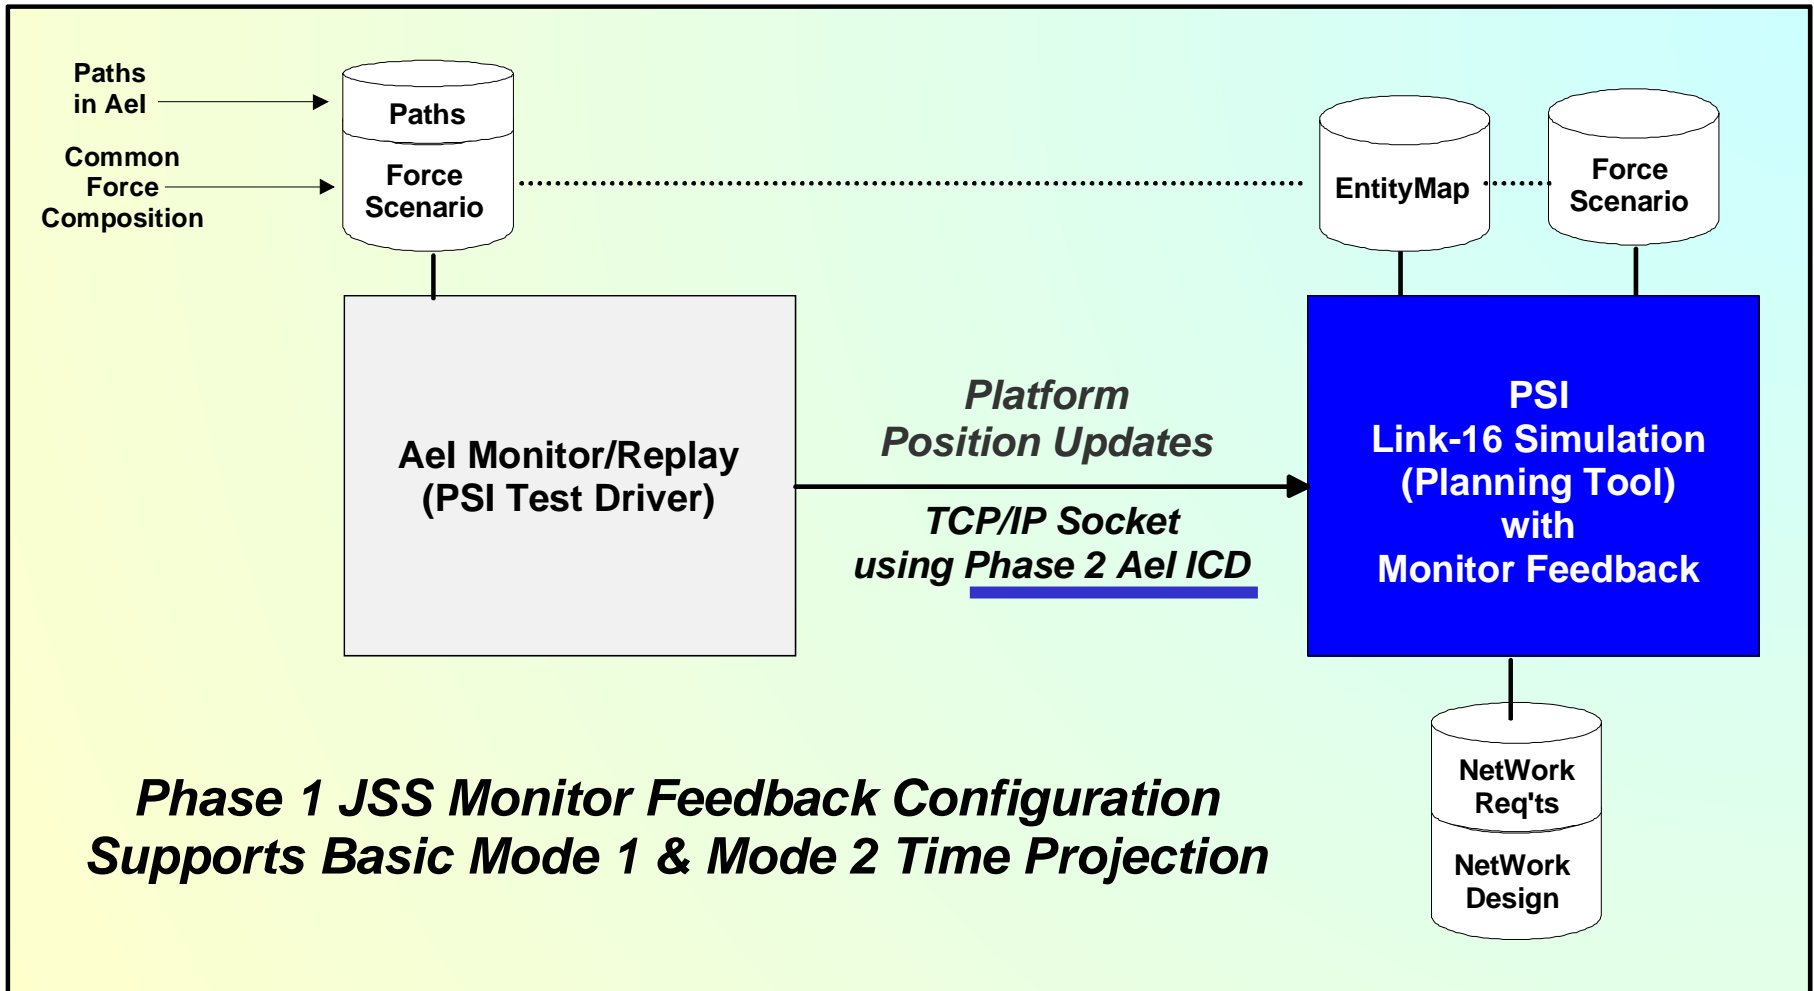

# Link-16 Monitor Feedback

**Purpose/Idea:** Feed AeI Monitor data into Link-16 Simulation for Link Analysis & PBA

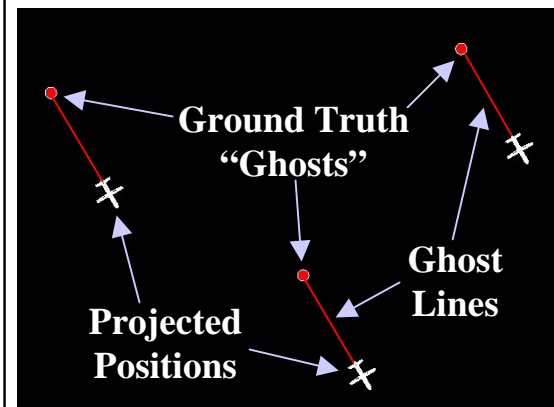

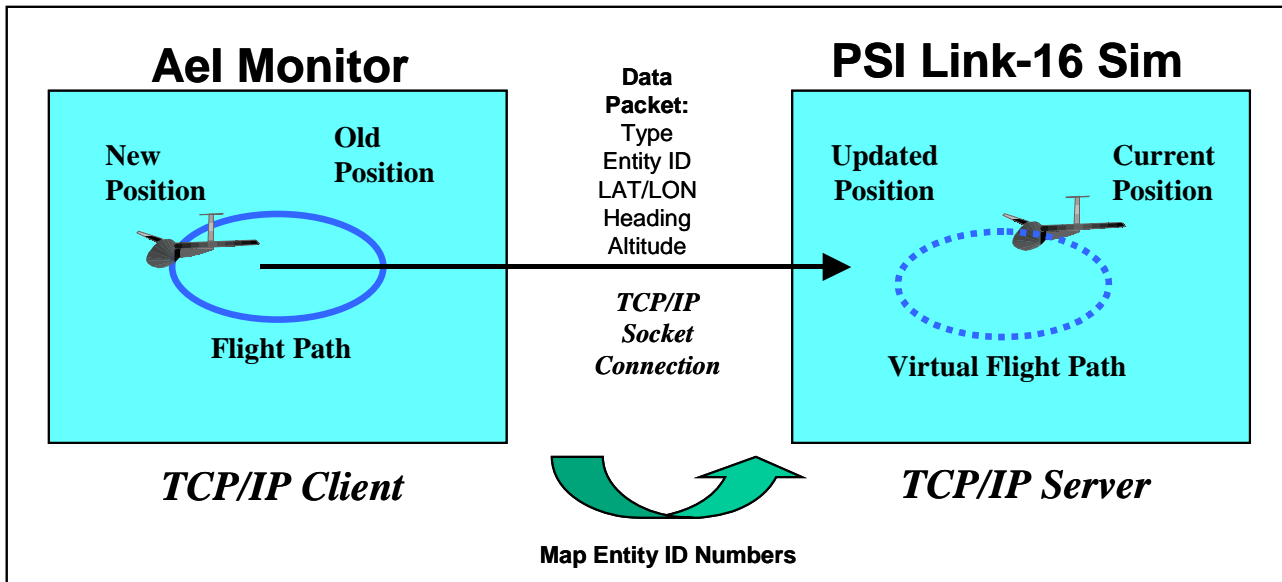

**Mode 1:** Simple Link-16 platform position updates

**Mode 2:** Dead reckoning time project of positions

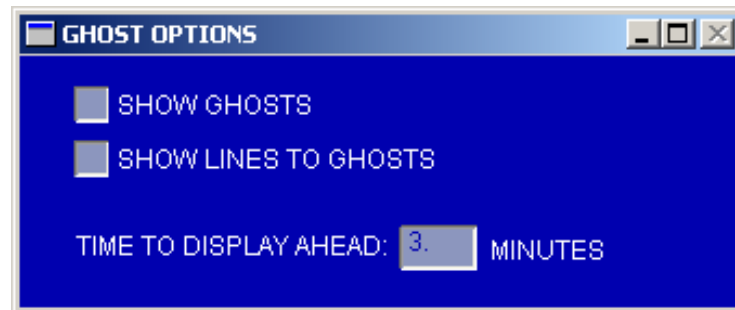

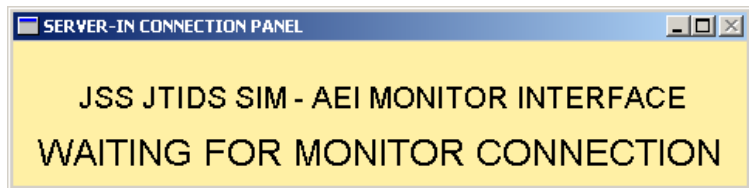

# Monitor Feedback

## Client/Server Operation + Data Packets

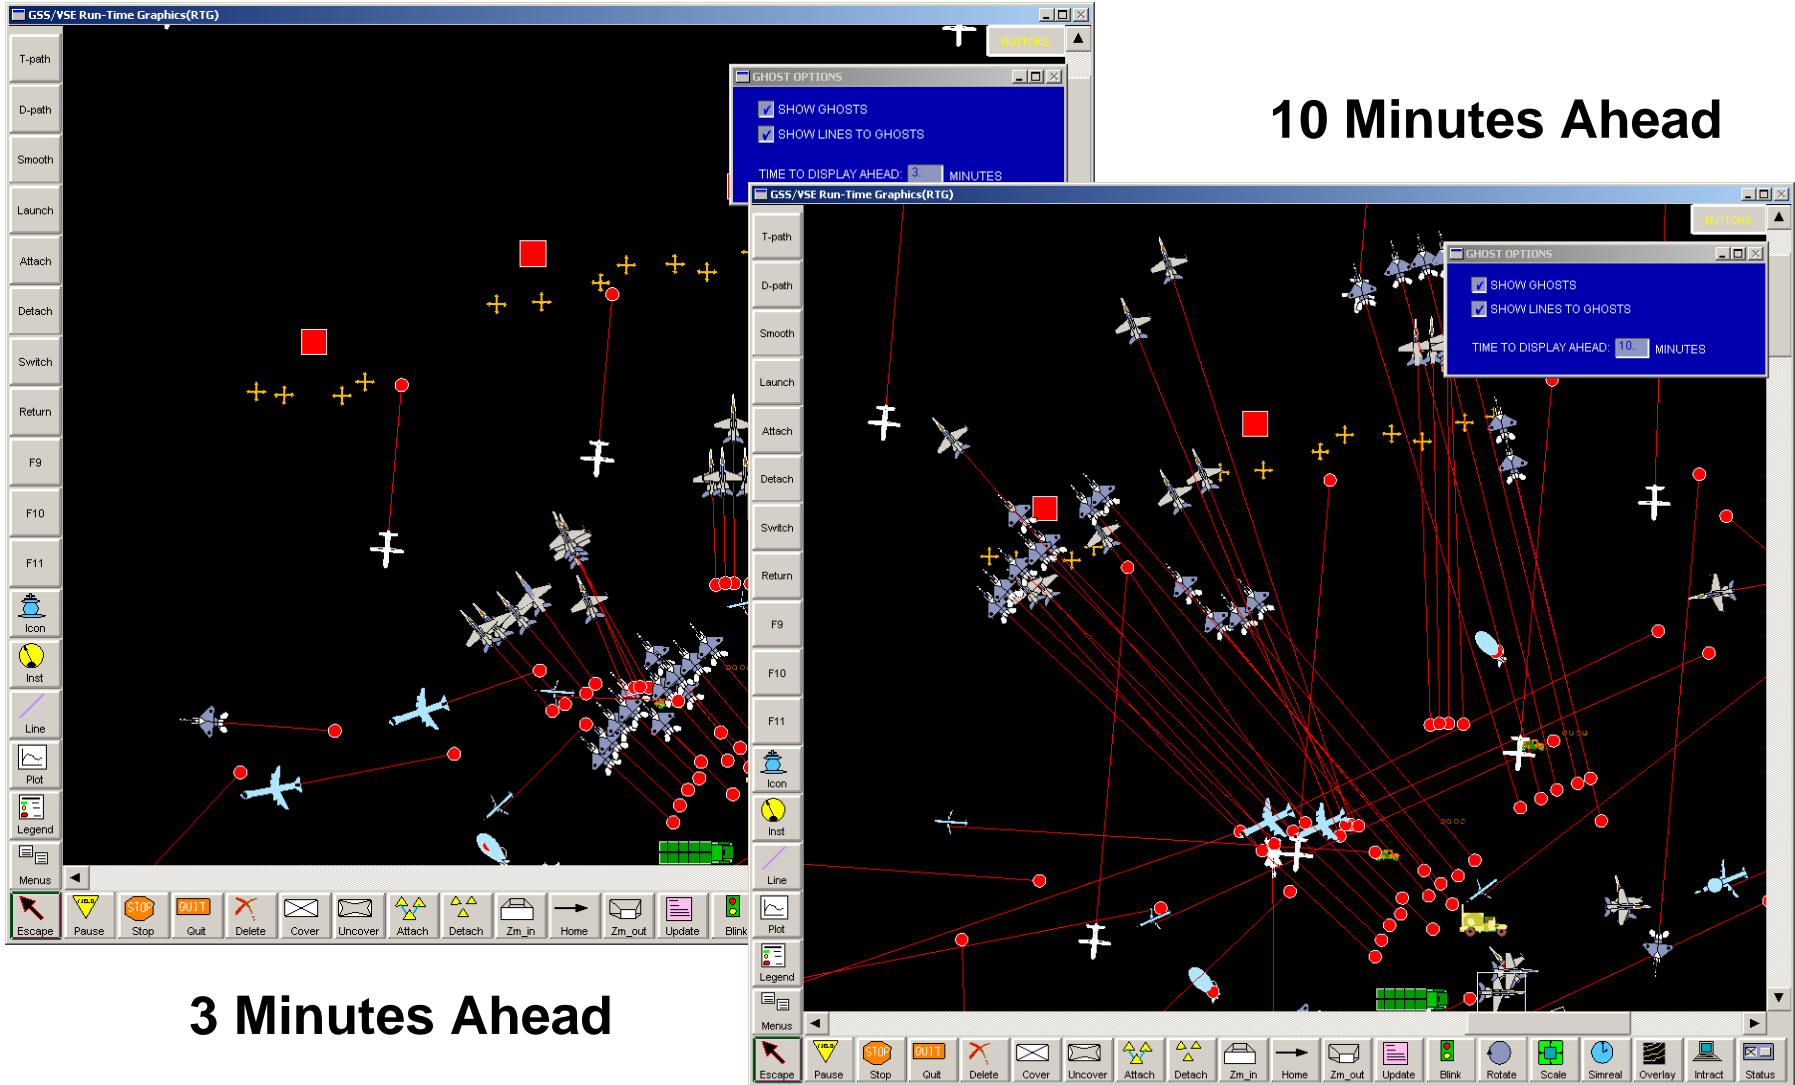

## GUIs added for Monitor Feedback

# Monitor Feedback

## 10 Minutes Ahead

### 3 Minutes Ahead

# Challenges with Dead Reckoning
